[FULL DESCRIPTION]

ADDON C5A

A small and easy to place multiroom smart speaker. Voice controlled with Amazon Alexa, tell the speaker what to play. Or just ask any question and get answers. With stunning dynamics and deep bass in abundance, the Addon C5 performs bigger than it looks. A full bodied hifi sound which is pleasant for everyday use, and surprises when turned up for a house party.

MULTIROOM

Multiroom sound and multi person usage. Group and play, set to left/right for stereo pairs. Play all together. Or not. You choose.

APP CONTROL

It's easy to use. We know everybody says this, but this app truly is. From lightning fast setup to using, it's all smooth sailing.

TOP 3 FEATURES:

MULTIROOM HIFI

Play one track on all speakers, or let everybody in the house play their personal favourite to their own speaker.

WIFI PRESETS

Store playlists and radio station to convenient buttons on the speaker. No need to use the app, just push and play.

VOICE CONTROL

Ask Alexa to play your music. Or control your living room lights. Or check the weather. With over 200 skills, Alexa is the perfect smart assistant in your home.
