More Than Just a Baby Monitor

Nursery View Pro, the 5" Video Baby Monitor with Pan, Tilt, and Zoom, has made sure that baby monitors are no longer just for parents. The innovative Hubble Product helps create a safe, nurturing nursery environment for your child, and gives you, the parent, peace of mind. The high sensitivity microphone makes it easy to hear your little one when they need you, and simple to communicate with them with the two-way talk feature. With an impressive 1000ft/300m range, remote pan, tilt, and digital zoom can be done on the 5" diagonal parent unit screen from anywhere in the home, putting the perfect view of your baby at your fingertips, every time. At nighttime, soothe your child to sleep with the preinstalled lullabies, and enjoy clear picture in the dark with infrared night vision. A HubbleClub subscription through the HubbleClub by Hubble Connected app, allows you even more insight, as expert sleep advice, parenting tips, and our Baby Growth and Development Tracker become immediately available for users.
