## More Than Just a Baby Monitor

See, hear and speak to your baby from anywhere with Hubble's latest, family innovation. Our 5" Smart Baby Monitor is ushering the future of emotional tech and making it crystal clear that baby monitors are no longer just for parents. Digitally pan, tilt, and zoom from your phone or tablet to maintain the perfect view of your infant on-the-go. At home, track climate conditions with the preinstalled room temperature monitor, while soothing your little one with the sweet sound of your voice through two-way talk communication. Come bedtime, you'll have the same High-Definition picture quality in the dark with Infrared Night Vision, so you can watch your child lull to a peaceful slumber as you control lullabies, audiobooks and nature sounds - all via the handheld parent unit.

Enjoy this convenient collection of loving features with our HubbleClub app! Upgrade to a monthly subscription for even more incredible features, including unlimited streaming and motion triggered recordings. You'll also receive sound and motion notifications to your compatible device, as well as our advanced Growth and Development Tracker, so you can always stay connected to what matters most.

Give yourself the peace of mind you deserve with the Hubble Connected Nursery Pal Link Premium. More Than Just a Baby Monitor.
